

**High School Students –pay attention please!**  
**Are you interested in attending one academic year in the USA?**

American Councils for International Education announces:

**Youth Exchange and Study Programme (YES) for Kosovo**

**YES** is a program that provides scholarships for secondary school students of Kosovo to spend up to one academic year in the United States; students live with US host families and attend American high schools - starting from fall 2010. The program is fully funded by the US Government.
